

NOTICE TO THE PUBLIC

The Russellville Water System will begin flushing water mains on Saturday, September 18, 2021 at 7:00 a.m. Flushing will continue daily until completed. The flushing will take approximately six (6) days to complete. The flushing will take place from 7:00 a.m. until approximately 7:00 p.m. Laundering during this time should be with care, as there may be some discoloration of water during flushing. We regret any inconvenience that may be caused during the flushing program. City Corporation would like to thank our customers for your patience during our recent system wide flushing program. If you have any questions or comments, please call our offices at 479-968-2105.
